

***My name is Shane Potter. I am a Level 4 USA Hockey Certified Coach who has over 22 years of playing experience which includes several years of semi pro and minor pro hockey. My coaching experience includes 6 years of goalie coaching and 3 years of Tier II Head Coaching. I have also coached for 3 seasons as an Assistant Coach for a Tier I AAA team.***

***After retiring from my playing career, I wanted to bring a new level and perspective to goaltending coaching. I have coached over 50 goalies ranging in age and skill levels from Mites to Tier I Juniors. My focus with all my students is not only working on higher level skills, but also mastering the basics of the position. I believe first and foremost in the necessity of effective communication between the athlete and coach to help learn proper technique and create good habits. I make it my goal to get to know each one of my goalies so that they have trust in me and, in turn, I can teach them in the way they learn. I believe that communication is the key to effective teaching, learning and growth.***
